CIVILIAN STUDIES

BEST TRIP FOR STUDENTS
OF LAW.—Mr. C. L. Williams, founder, President of the American Law Institute, has just returned from a tour of Europe, during which he visited the law schools of England, Scotland, Ireland, France, Germany, Italy, Spain, Portugal, and Russia. He is now engaged in writing a book on "The Best Trip for Students of Law."

MONDAY, AUGUST 21, 1893.

PERSPECTIVE OF THE WORLD.—A world tour is the best education for a law student, and it is the best preparation for a law practice. It is the best way to learn the law, and it is the best way to learn the world.

HAMMERS AND SICKLES.

In the National Democratic Convention held at St. Louis, Mo., on Aug. 18, 1893, the platform of the party was adopted. The platform called for the protection of labor, the promotion of agriculture, and the maintenance of the currency. The platform also called for the reduction of taxes, and the promotion of the cause of peace.

PROTESTANT WORKERS IN THE WORLD.—The original workers for the world held their annual meeting at the Hotel Astor, New York City, on Aug. 18, 1893. The meeting was opened by a resolution of thanks to the members of the Protestant Church who had given so much time and energy to the work of the world.
